Outside Shreveport, Louisiana, on 200 acres of beautiful, forested sanctuary, more than 300 chimpanzees, many of whom were used in biomedical research, are living the good life — or, as we like to call it, the Chimp Life.

At Chimp Haven, chimps retired from research experience the joys they would have enjoyed in the wild: climbing trees, living in large, bonded social groups, eating their favorite fruits, running, playing, exploring, and — best of all — choosing how they spend their days.

We believe we’re not that different, humans and chimpanzees. As our closest living relatives, chimps share more than 98 percent of our genetic blueprint, and upon visiting the sanctuary it doesn’t take long to see that they have all the personalities, emotions, relationships, dramas and joys that we do.

We believe they all deserve a chance to live the Chimp Life. That’s why we’re working diligently to transport all eligible government-owned and supported chimpanzees to the sanctuary as soon as possible and embarking on an ambitious sanctuary expansion to ensure there is room to welcome them all home.

For the more than 300 chimps currently enjoying retirement at Chimp Haven, your support means the world. Thank you for considering becoming an event sponsor!

Chimpanzee Discovery Days

Every year, hundreds of visitors from all over the country come to Shreveport to visit Chimp Haven for an up-close look at the lives of the chimpanzee retirees. As a sanctuary, Chimp Haven is only open to the public two times each year, making each Chimpanzee Discovery Day a special event that visitors plan and look forward to for months.

Chimp Chat & Chew
A few times each year, an intimate group of chimp lovers is invited to take a closer look at sanctuary life at our Chimp Chat & Chew events. Event attendees enjoy breakfast or lunch, a special presentation from a member of our animal care staff, and a behind-the-scenes tour of Chimp Haven, including areas that are not normally accessible to the public. Chimp Chat & Chew events fill up months in advance, and many visitors plan special trips to Shreveport from all over the country for the experience.

*Event Dates: September 25th, November 13th, March 12th*

Brunch in the Wild
Our Brunch in the Wild is an exclusive, one-of-a-kind experience for our most dedicated supporters. Afterward, guests will enjoy a beautiful seated brunch with views of Chimp Haven’s forested habitats and the chimps who call them home.
